

Introduction

To *defer or suspend enrolment* means to temporarily put studies on hold (adjourn, delay, postpone). Providers do this by notifying the Department of Education, through Provider Registration and International Student Management System (PRISMS) of the deferment or suspension of enrolment.

A student may request a temporary deferment or suspension to his or her enrolment on the grounds of compassionate or compelling circumstances. A provider may also initiate suspension or cancellation of a student's enrolment due to misbehaviour of the student.

Key requirements for all sectors

- Providers must have documented procedures for assessing, approving and recording a deferment, suspension or cancellation of study. (This relates to Standard 2.1.8., which requires that students must be informed prior to enrolment of the grounds on which their enrolment may be deferred, suspended or cancelled.)
- Providers must inform the student that deferment, suspension or cancellation of enrolment may affect his or her student visa.
- Should a provider initiate the suspension or cancellation of a student's enrolment, it must notify the student of its intention and allow the student 20 working days to access the provider's internal complaints and appeals process, unless extenuating circumstances relating to the welfare of the student apply.
- If the student appeals the decision to defer, suspend or cancel his or her studies, the provider must not notify the Department of Education of a change to the enrolment status until the internal complaints and appeals process is completed.
- Providers inform the Department of Education, via Provider Registration and International Student Management System (PRISMS) when a student's enrolment is deferred, suspended or cancelled.
- This standard allows providers to grant deferral of commencement of studies or suspension of studies for students who request such a change to their enrolment status on the grounds of compassionate or compelling circumstances.
- The standard also allows providers to temporarily suspend the enrolment of students due to misbehaviour of the students. Misbehaviour of students can also be grounds for cancellation of studies as long as the student was informed of this prior to enrolment. (See Standard 2.1.8)
