

## BSB60720

# ADVANCED DIPLOMA OF PROGRAM MANAGEMENT

CRICOS COURSE CODE: 105022K

## ABOUT THE COURSE

This qualification reflects the role of individuals who apply specialised knowledge and skills, together with experience in program management across a range of enterprise and industry contexts. The job roles that relate to this qualification include Program Manager.

Individuals in these roles are responsible for managing or directing a program to achieve organisational objectives. A program is defined as a set of interrelated projects, each of which has a project manager.

Individuals at this level use initiative and judgement to direct, plan, and lead a range of program functions, with accountability for personal and team outcomes within broad parameters. They use cognitive and communication skills to identify, analyse and synthesise information from a variety of sources and transfer their knowledge to others, and creative or conceptual skills to express ideas and perspectives or respond to complex problems.
